

CONFIDENTIALITY NOTICE, INFORMATION RESERVATION AND RESTRICTED USE

This Confidentiality, Information Reservation and Restricted Use Notice for the Website is applicable to the official site of **INGENIERÍA, DESARROLLO E INNOVACIÓN EN METAL, S.A. DE C.V.**, hereinafter "**INDEINN**", available at <https://indeinn.com>, as well as to the sections, forms, contact means, contents, materials, resources and communications linked to said portal.

At **INGENIERÍA, DESARROLLO E INNOVACIÓN EN METAL, S.A. DE C.V.**, hereinafter "**INDEINN**", we recognize that the technical, industrial, commercial, operational, documentary and strategic information that is generated, exchanged, shared, reviewed or received in connection with our activities constitutes an asset of substantial value for the company and, where applicable, for our clients, prospects, suppliers, business partners and other third parties with whom we maintain or may maintain a professional, technical or business relationship.

Therefore, **INDEINN** maintains formal criteria of confidentiality, reservation, restricted use and information protection, aimed at safeguarding both the company's own information and that provided by third parties in connection with consultations, commercial approaches, quote requests, proposals, meetings, visits, document exchange, project development, review of specifications, presentation of solutions or any other interaction related to its activities.

This Confidentiality, Information Reservation and Restricted Use Notice for the Website is intended to inform any person who accesses, browses, consults, uses or communicates through the official website of **INDEINN**, available at <https://indeinn.com>, that the information provided to **INDEINN** by any means linked to said portal may be treated under criteria of confidentiality and restricted use when, due to its nature, content, level of detail, purpose or context, it should reasonably be considered technical, reserved, sensitive, strategic or confidential.

Likewise, this notice is intended to inform the public that the information contained in the website itself <https://indeinn.com> is protected and its use is subject to the restrictions set forth in this document.

The information contained in this website, including but not limited to texts, descriptions, data sheets, specifications, diagrams, images, renders, models, developments, methodologies, processes, solutions, value propositions, technical structures, visible or downloadable documentation, graphic content, catalogs, portfolios, audiovisual resources, presentation materials, corporate identity elements and any other content accessed through the portal <https://indeinn.com>, is the property of **INDEINN** or is legitimately used with authorization from their respective owners, therefore it is protected by applicable legislation on confidentiality, intellectual property, industrial property, copyright, trade secrets, unfair competition and other applicable legal provisions.

The information published on this site is for informational, institutional, descriptive and commercial presentation purposes only. Consequently, its consultation, browsing, downloading, temporary storage or receipt does not grant any person any license, assignment, authorization for autonomous use, exploitation right, transfer of ownership, nor the power to copy, reproduce, adapt, modify, distribute, disclose, transmit, exploit, decompile, analyze, extract, replicate, reuse, publish or use in whole or in part said content for purposes other than the legitimate evaluation of a possible commercial, technical or professional relationship with **INDEINN**.

All information that a user, client, prospect, supplier, contractor, business partner or third party sends to **INDEINN** through contact forms, email, messaging, video calls, meetings, visits, exchange platforms, quote requests, request for proposals, document exchange, sending of plans, designs, drawings, layouts, editable files, bills of materials, technical data sheets, requirements, specifications, financial information, legal documentation, comments or any other channel linked to the

website <https://indeinn.com/>, will be received and treated by **INDEINN** under criteria of reservation, confidentiality and limited access when, given its nature, it should reasonably be considered non-public, sensitive, technical, strategic or commercially relevant.

INDEINN will ensure that said information is used exclusively for purposes of analysis, review, technical evaluation, attention to requirements, integration of proposals, preparation of quotes, validation of feasibility, commercial follow-up, review of specifications, structuring of solutions, fulfillment of contractual obligations or, where applicable, formalization and execution of the corresponding legal relationship. Correspondingly, **INDEINN** will endeavor not to disclose, communicate, transfer, reproduce or allow access to it by third parties unrelated to the matter in question, except with the consent of the corresponding party, requirement of a competent authority or applicable legal provision.

Internal access to the information received will be limited, as reasonably necessary, to the personnel, representatives, advisors or collaborators of **INDEINN** who need to know it for the technical, commercial, operational, administrative or legal attention of the corresponding matter, under criteria of need-to-know and duty of confidentiality.

The references made on this site regarding experience, sectors served, technical capabilities, developed solutions, processes, methodologies, executed projects, services provided, manufacturing, integration, engineering, machining, automation, tooling, innovation or any other business capability of **INDEINN** should be interpreted in general, informative and non-identifiable terms. In no case do such references imply authorization to identify, link, profile, commercially exploit or disclose the identity of clients, prospects, suppliers, partners, processes, facilities, parts, prices, volumes, metrics, specific results, commercial conditions, designs, layouts, validations, samples, prototypes or any other sensitive information linked to third parties or specific projects, unless there is express, prior and written authorization from the corresponding owner.

Consequently, it is expressly forbidden to use the information contained in this site to reproduce, copy, model, replicate, disassemble, reinterpret, adapt or exploit processes, methodologies, designs, specifications, documentation, materials, solutions, developments or contents of **INDEINN** for the benefit of oneself or third parties, as well as to carry out reverse engineering, technical reconstruction, extraction of logic or any act aimed at obtaining, deducing or improperly reusing information of technical or strategic value.

No provision contained in this website shall be interpreted as granting a license, assignment, authorization for independent use, transmission, waiver or recognition of any right regarding trademarks, commercial notices, trade names, logos, designs, software, plans, technical documentation, methodologies, trade secrets, know-how, models, processes, developments, patents, protected works, graphic content or any other intangible asset of **INDEINN** or third parties. All rights not expressly granted in writing are expressly reserved.

When the information sent by a third party contains personal data, patrimonial data, financial data or, where applicable, information subject to enhanced protection, **INDEINN** will treat it in accordance with the applicable legal framework and the corresponding privacy notice, ensuring its use only for the legitimate purposes that are necessary according to the interaction in question and under control and security measures consistent with its nature.

The mere sending of information to **INDEINN** through the website <https://indeinn.com/> does not replace, eliminate or make unnecessary the formalization of specific confidentiality instruments when the nature, level of detail, sensitivity, economic value, technical relevance or scope of the exchange so warrants. Consequently, **INDEINN** may require at any time, prior to or after the first contact, the execution of a specific confidentiality agreement, bilateral or unilateral, as a condition for receiving, analyzing, evaluating or processing certain technical, strategic, commercial or documentary information.

INDEINN reserves the right to modify, restrict, update, withdraw, correct, anonymize, generalize, delete or replace, at any time and without prior notice, any content of the site <https://indeinn.com/> when necessary to protect reserved information, comply with contractual obligations with clients or suppliers, attend to regulatory requirements, safeguard intellectual or industrial property rights, avoid improper disclosures, reinforce its internal protection policies or prevent legal, technical, commercial or reputational risks.

If any person considers that any content published on the website <https://indeinn.com/> compromises reserved information, intellectual property rights, protected data or any other legally protected interest, or if they require exchanging information under a formal confidentiality scheme, they may contact **INDEINN** through its official means for the review of the case and, where appropriate, for the formalization of the corresponding specific instrument.

INDEINN reaffirms its institutional commitment to act with responsibility, reservation and professionalism in the handling of information received from its clients, prospects, suppliers and partners, as well as in the protection of its own information generated in the development of its technical, industrial and commercial activities.
